

GREEK REPUBLIC
REGION OF ATTICA
MUNICIPALITY OF ILION

MAYOR'S OFFICE

Ilion, on the 20th of April 2022

**To: The Secretariat of the Mission Adaptation
to Climate Change**

Letter of support for the participation in the Mission Adaptation to Climate Change

I, the undersigned, ZENETOS NIKOLAOS, on behalf of the MUNICIPALITY OF ILION (GREECE), acknowledging,

- the importance of taking immediate action in the field of climate adaptation and the essential role local authorities can play in Europe's energy transition,
- the work that has been done and is still under way in our Municipality in the fields of environment and adaptation to climate change,
- our need for further support in terms of know-how and best practices transfer to enhance our climate resilience,
- the fact that the Mission Adaptation to Climate Change can serve as a unique context for networking and mobilising local authorities to engage actively in energy transition,

I would like to hereby confirm the strong support and interest of our Municipality to participate in the Mission Adaptation to Climate Change.

Yours Sincerely,

Nikolaos Zenetos
Mayor of Ilion Municipality
